Shikshan Maharshi Dadasaheb Limaye Arts, Commerce, Science & Computer
Science College

Introduction:-

Shikshan Maharshi Dadasaheb Limaye Arts, Commerce and Science college, Kalamboli was intentionally established to provide higher education to poor and economically backward where as they are not able to afford to travel and acquire higher education.

The college is situated in Kalamboli, one of Navi Mumbai's rising neighbourhoods. Despite being only 26 years old, the college is managed by the more than 80-year-old Sudhagad Education Society. Pali, the first president of S.E.S. The Dalit ' Mitra Samajik' Award and the Shikshan Maharshi Award for exceptionally distinguished services in the field of education were given to Hon. Shikshan Maharshi Dadasasheb Limaye.

Vision:-

“Nobody should be deprived from higher education and to developed overall personality of the student in rural and tribal areas”

Mission:-

To inculcate value which will make our students academically sound and socially conscience and also to have manpower this will be ever ready to meet national and global challenges.

College, Kalamboli,
Tal. Parvel, Dist. : Raigad.

Goals: -

- 1) To give students in rural and urban areas access to all the advantages of a high-quality education at a reasonable cost.
- 2) To help students develop their personalities overall by exposing them to a variety of sports, cultures, and N.S.S. activities.
- 3) To instill human values in students so they can become vital contributors to the development of their country.
- 4) To conduct research studies within the organization.
- 5) Providing the best education possible to everyone, regardless of their financial situation, caste, religion, or faith.

Perspective Plan 2023 to 2028

- We are planning to build a new building near the said building as the college building is not enough. The new building will be completed in the next five years.
- Efforts will be made to take the help of stakeholders to introduce new add on courses and career building courses considering the progress of the students.
- In the near future, the process of college 2F and 12B will be completed with the UGC.
- We will start M.Com, BAF courses by following the necessary procedures for new courses with the University.
- We will try to get practical knowledge for the students by contacting the nearby industries
- Various courses will be taken to improve communication skills in English among the students.
- Efforts will be made to update the labs of the science department – chemistry and microbiology in the college.
- Efforts will be made to increase the number of books and capacity of reading room in the college library.
- Interdisciplinary skill-based courses will be introduced.
- An updated computer room is planned for next year.
- Development of parking area by properly allotting it.
- To provide appropriate guidance and facilities to the students for research work.
- Initiating skill development courses for students.
